SUMMARY

Motivated Computer Science student at COMSATS University Islamabad with hands-on experience building mobile and web applications. Proficient in Flutter, Django, Python, Firebase, and Machine Learning concepts. Demonstrated ability to develop practical software solutions including an inventory management app, an e-commerce platform, and a job recruitment portal. Eager to contribute technical skills and a strong problem-solving mindset to a dynamic software development team.

PROJECTS

Career Connect | Job Seeking Portal | Django, Python, SQLite Feb 2025- June 2025

- Recruitment platform with job search, one-click apply, and employer-candidate chat.
- Resume upload, job filtering, and automated candidate shortlisting for employers.
- Admin panel with user management, job moderation, and application activity logs.
- Interview scheduling with calendar sync and application status tracking for candidates.

MenStyle | AI-Powered Men's Fashion App | FYP Jan 2025 - present

- AI outfit recommendations, skin tone analysis, and virtual try-on using Gemini AI.
- Wardrobe management, tailor booking, AI chat, and TikTok/Instagram sharing.
- Firebase real-time sync, Google OAuth, and persistent user color profile.
- Occasion-based outfit rating across Wedding, Office, Street, Eid, and University contexts.
- Grooming guide with hairstyle, beard, fragrance, and accessory recommendations per outfit.

Zentra | E-Commerce Mobile Application | Flutter, Firebase Sep 2025 - Dec 2025

- E-commerce application for purchasing clothing and accessories.
- Product browsing, category filtering, search, wishlist, and shopping cart.
- Secure user authentication and profile management system.
- Order tracking, notifications, customer reviews, and payment integration.
- Built as a complete cross-platform mobile solution.

EDUCATION

Bachelor of Science in Computer Science Feb 2023 - Feb 20271

COMSATS University Islamabad, Sahiwal Campus

- Major in Computer Science
- GPA: 3.1

Intermediate (FSc) Mar 2020 - Jul 2022

Punjab College Okara

- Pre-Medical
- Percentage: 88%

KEY SKILLS

- Technical Skills: Python, Flutter, Firebase, Django, HTML, CSS, JavaScript
- Data Science: Machine Learning Fundamentals, Data Analysis
- Soft Skills: Teamwork, Communication, Problem Solving, Adaptability
- Language: Urdu (Native), English (Fluent)
